RUSSO & LONGO
AZIENDA AGRICOLA

JACHELLO

ROSSO IGT CALABRIA

Harvest IV epoch, obtained from Gaglioppo, Black Greco and Sangiovese grapes cultivated in our vineyard in Strongoli with a south-easterly exposure, in earth with a high content of clay. The low stock production and an advanced maturing period, determines the characteristics of this particular wine; with maceration carried out at a controlled temperature then honed into little oaken casks, results in a wine with a high equilibrium. The senses of taste and bouquet are in harmony; the fruits of the forest with spice like a mature fruit with cocoa. A pleasant taste, smooth which remains in the palate, strong but delicate.
